

CATERING TEAM

We regularly have events/occasions that have catering or baking needs, some big, some small.

WHAT WE NEED

- Someone to build and co-ordinate a team of people to shop and cater for church events and oversee shared lunches
- Team members to;
 - Help prepare the food for cooking
 - Cook for a larger number of people either at home or at church
 - Bake cakes for special occasions
 - Help serve food at Alpha and other events
 - Be available to tidy up afterwards
