

CHOIR

The choir meet together for occasional special events (e.g; Carol Services, Easter Celebrations). Dates are shared in advance in the notice sheet.

It's a great way to meet new people and bless others!

Expectations:

- No audition process, but the ability to hold a tune and having an ear for harmony is a bonus
- Be a passionate worshipper, connecting with and expressing the meaning of a song
- Be flexible & open to direction
- Be a team player, supporting & championing others

Commitment:

- Usually 3/4 rehearsals before an event, often straight after the 10.45 Sunday gathering for an hour, but occasionally at other times
- Personal practise & preparation as necessary (rehearsal tracks and resources are provided)
