

**HOLY TRINITY
MONTHLY
MARCH 2024**

Dear Church Family,

We are currently looking at the book of Exodus in our Sundays and the book of Lamentations as our Lent devotional. I do hope both of these are blessing your walk with the Lord.

Lent is an important season in the church to reflect on the sacrifice Jesus made for us as we journey to Easter. I wonder how you are using Lent? It is not too late to be intentional and use the time well to spend with the Lord. I find just 15 minutes a day makes a massive difference.

In March there are a few things coming up to mention that continue our priorities of prayer and community and the idea of being 'Together with God'.

Children's Worker Conference
Men's Breakfast
Easter Programme
Prayer meetings
Launching new small groups and communities

For more information on these please read on...

In Christ,

Gary
