

**HOLY TRINITY
MONTHLY
FEB 2024**

Dear Church Family,

We have started the year looking at the idea of being Together with God and focussing on prayer and community. Part of this was using name tags in January and helping us get to know one another better. I hope it has been a blessing to you.

In February there are a few things coming up to mention:

Baptism & Confirmation morning

Breathe

Lent devotion

Church questionnaire

Ministry Team

More information on all these are in February's monthly.

As we enter Lend and begin the journey to Easter I pray you can use it as a time to draw nearer to Christ. Whether you take something up or put something down, may his presence sustain you and transform you more and more into His likeness.

In Christ,

Gary
